**Special World AIDS Day Issue**

**December 1, 2007**

---

## OPGD News

**Visit OPGD's GIRC to identify HIV/AIDS-related funding.** *Office of Partnerships and Grants Development's (OPGD) Grant Information Resource Center (GIRC)* is a fully-funded resource available to help you identify HIV/AIDS and other competitive grant funding. Our continually updated databases include the latest information on District of Columbia, federal, and foundation funding available to support your activities. GIRC access is free, but you must call (202) 727-8900 to make an appointment. The GIRC is located in OPGD's office, Suite 324, 1350 Pennsylvania Ave, NW; please visit <http://opgd.dc.gov>, select 'How to Reach Us' for directions.

## Federal Opportunities

**Centers for Research on HIV/AIDS and Mental Health Program.** *Department of Health and Human Services* announces funds to improve and expand research by supporting infrastructure for administrative coordination; subject recruitment, tracking, and retention; quality control and assurance procedures; performing laboratory testing; performing statistical analyses; database management; sponsoring training and education; and scientific and organizational capacity, in order to provide leadership in the integration of multidisciplinary approaches to HIV/AIDS and mental health research, and to expand and develop information-sharing, expertise, technology, and technology transfer in the institutional and clinical communities.

**Eligibility:** City or township governments, county governments, public and state controlled institutions of higher education, state governments, nonprofit organizations, and private institutions of higher education.

**Deadline:** January 8, 2008.

**Funds:** Approximately \$2,250,000 is available.

**Information:** Rebecca Claycamp at (301) 443-2811 or [rc253d@nih.gov](mailto:rc253d@nih.gov); or go to: <http://grants.nih.gov/grants/guide/pa-files/PA-08-009.html#SectionII>.

**GrantID:** GD2391

**Development and Testing of an HIV Prevention Intervention Targeting Black Bisexually-Active Men.** *Department of Health and Human Services* announces funds to support the development and pilot testing of novel interventions, or those not rigorously evaluated, that reduce sexual risk for HIV infection and transmission among bisexually-active African-American men who do not inject drugs.

**Eligibility:** City or township governments, county governments, special district governments, state governments, nonprofit organizations, private institutions of higher education, individuals, and community-based organizations.

## **HIV/AIDS FUNDING ALERT**

**Funds:** Approximately \$750,000 is available to fund 3 awards up to \$250,000.

**Deadline:** January 30, 2008.
